International Pi Day Celebration

On March 14, the students of class 9 at Ankuram Academy celebrated International Pi Day with great enthusiasm. The event was organized by the Department of Mathematics and saw active participation from both students and faculty members. Throughout the day, there were engaging activities focused on the mathematical constant 'pi'. Students took part in various math exercises and challenges to understand the importance of 'pi' in different situations. Joel KC, a class 9 student, gave a speech in the morning meeting, explaining the significance of 'pi' in math and its real-world applications. The highlight of the celebration was a competition where students demonstrated their mathematical knowledge and problem-solving skills. Raghav Agarwal won the first prize with an impressive score of 131 points. Krishant Vanshal and Karen Poudel secured the second and third positions with scores of 110 and 104 points respectively. Along with academic competitions, students also showcased their creativity through artistic representations of 'pi'. These displays reflected their imaginative interpretations of the mathematical concept, adding color to the celebration. This event not only emphasized the importance of 'pi' but also showcased the school's dedication to nurturing well-rounded individuals with essential skills for success in today's world.

Refreshment and Social Mixture Program

Participants: Teachers and Staffs

Ankuram Academy hosted a special event on March 16 to honor and uplift our valued teachers and staff. The "Refreshment and Social Mixture Program" was carefully planned to offer relaxation, socializing, and motivational insights, ensuring our faculty and staff felt valued and motivated. The program began with a warm welcome to all attendees, setting the stage for an enriching experience. Participants enjoyed various activities aimed at fostering

friendship and relaxation. Interactive sessions, group discussions, and team-building exercises were organized to encourage bonding and collaboration among colleagues. A highlight of the event was a powerful keynote address by the renowned motivational speaker, Mr. Raman Bhattarai. With his experience and motivational skills, Mr. Bhattarai captivated the audience, sharing valuable wisdom and encouragement. His inspiring words reignited a sense of purpose and determination among the teachers and staff, reminding them of their importance in the Ankuram Academy community.

Parent Teacher Meeting

Participants: Parents/Guardians

On March 16, a successful Parent-Teacher Meeting (PTM) was held at Ankuram Academy. The purpose of this meeting was to create an avenue for parents and teachers to engage in discussions regarding their children's progress and development, particularly in light of the fourth formative assessment. A total of 270 parents attended the PTM, demonstrating the high level of parental involvement and engagement in their child's education. This meeting also served as a platform to prepare the students for the upcoming second summative assessment. Parents attended the meeting as per the schedule provided by the class teacher, ensuring a productive and collaborative environment for the benefit of the students' education and growth.

SEE Best Wishes Program

On March 20, 2024, a special event was held to offer heartfelt best wishes to the students of the SEE Batch of 2080 as they prepared for the Secondary Education Examination (SEE). The SEE Best Wishes Program was organized with great enthusiasm to encourage and motivate the students as they embarked on this significant academic milestone. The event featured words of encouragement from teachers and the

principal, insightful experience sharing sessions by Ashutosh Rijal and Sejal Poudel, and concluded with a celebratory cake cutting ceremony and the distribution of a photo frame of their batch as a memory keepsake. As the students embarked on this important milestone in their academic journey, they did so with renewed confidence, determination, and the knowledge that they had the support of the entire Ankuram community behind them.

Pre-Holi Celebration

On March 22, Ankuram Academy celebrated Holi, the start of spring, with lots of colors and joy. Students, teachers, and staff came together for a lively pre-Holi event, making the school community closer. It was a chance for everyone to strengthen their friendships. As everyone enjoyed Holi's colorful fun, it made everyone feel connected, no matter their age, gender, or background. The celebration truly captured the spirit of Holi and spread happiness throughout the school. With various colorful activities, the event welcomed

spring and promoted unity among everyone there. It reminded us to embrace our cultural traditions and care for each other. It was a day full of laughter, love, and memories that we'll cherish for a long time.

Recognition Events

Felicitation Program to Grade 1 to 10 students

The Felicitation Program on March 7 was a special event to recognize students who achieved a perfect 4.00 GPA and earned an A+ in the Second Summative Assessment. It happened at Ankuram Academy, celebrating academic excellence and dedication. The main part of the event was the felicitation ceremony, where each A+ achiever was acknowledged and awarded for their outstanding academic achievements. Students received certificates highlighting their hard work, commitment, and exceptional performance.

Felicitation Program to Ankuram Scout Troops

On March 13, 2024, a special event was held to honor the Ankuram Scout Troops for their dedication and excellence. The event celebrated their commitment to scouting and recognized their achievements in various programs and competitions. Highlights included the presentation of certificates to winners of a cooking competition and participants of the Smart Crew program organized by Smart Crew. The event was a great success, showcasing the dedication, excellence, and accomplishments of the Ankuram Scout Troops. We commend their efforts and anticipate their ongoing success as they positively impact their communities and beyond.

3 Stars Badge Felicitation Program

The 3 Stars Badge Felicitation Program, held on March 22nd was a celebration of excellence for our most accomplished Green Card holders. The event recognized and honored the remarkable achievements of our 3 Stars Badge Achievers. The Green Card is a special reward presented to students who demonstrate outstanding performance in classroom activities, particularly in academic achievement and good behavior/discipline. Its purpose is to encourage and motivate students to maintain their excellent performance. Teachers can award a Green Card to a student when they observe that the student has performed exceptionally well. This serves as a means to acknowledge their efforts and motivate them to continue their good work.

Donation Program

On March 22, 2024, the Grade 12 Marketing Groups at Ankuram Academy demonstrated remarkable kindness and social responsibility by organizing a Donation Program. This initiative aimed to support two deserving groups within the community: the elderly residents at Devghat Old Age Home and the children at Aama ko Chhatrabaas. The program was made possible through funds raised from the students' successful Rakhi Project, highlighting their dedication to making a positive impact in society. The Grade 12 Marketing Groups pooled their resources to provide a variety of grocery items for donation. These items, including essential food staples and necessities, were thoughtfully selected to meet the specific needs of both the elderly residents and the children. Additionally, sanitary items were donated for the children. By offering support to those in need, the students brought joy and love to the community, spreading smiles and positivity. The program not only had a tangible impact on the lives of the beneficiaries but also promoted unity and empathy among the students.

Hotel Visit of HM Students

Participants: Students (Grade 11 and 12)
Ankuram Academy's grade 11 and 12 students went on a field trip to Hotel Pokhara Grande from March 26 to 27 as part of their school curriculum. This visit allowed students to see how a big hotel works up close. They were shown around by the hotel staff and manager to learn more about how hotels operate. A total of 38 students from the Hotel Management faculty, along with three teachers, joined the trip. The teachers were there to make sure everything went smoothly and to

help the students learn. By talking to the hotel staff, taking tours, and getting hands-on experience, the students learned a lot about how hotels work. This trip not only matched what they were learning in class but also got them thinking about careers in the exciting hotel industry. Huge thanks to the hotel staff and management for their help and hospitality, which made the trip a success.

Book Review Series

Participants: Grade 11 Students

The book review series for the academic session ended with a final presentation by Class 11 students from the Faculty of Management at Ankuram Academy. This series gave students a chance to share their thoughts on books and improve their critical thinking skills, encouraging a love for reading in the school. During the series, students discussed a variety of English books, covering different genres and themes. While many preferred self-help and life coach books, others liked fiction. Rojan Acharya, a management student, particularly enjoyed English

fiction, showing the diverse reading interests among students. To continue promoting reading at Ankuram Academy, the 12th series of book reviews was held every Saturday, concluding on March 30 with the participation of 24 student reviewers and their parents. As the academic session ended, the book review series had a lasting impact on the school community, motivating students to keep exploring literature and new ideas. It's hoped that the curiosity for learning and appreciation for literature nurtured by this initiative will continue to grow, shaping the minds of future generations.
