Prof. Subhajit Paul, Asst. Prof. Digvijay Kharga, Asst. Prof. Peter Lepcha, and Asst. Prof. Rakesh Sharma delivered thought-provoking sessions on the Mathematics of AI, the 21st-century scientific syllabus, future job skills, and the transition to a Circular Economy. These sessions successfully ignited curiosity and provided our students with a roadmap for future careers in technology and sustainability.

Skills Development Camp 2082: Embracing the Scout Spirit

The Skills Development Camp 2082 provided a rigorous two-day training focused on the holistic development of our scouts. Coordinated by Senior Rover Kushal Neupane and Training In-Charge Scouter Aakash Neupane, the camp balanced practical challenges-like night hikes and compass navigation with theoretical lessons on scouting fundamentals and the symbolic Sarva Dharma Sabha. With technical support from the Chitwan Smart Scouts Crew (CSSC), trainees practiced discipline, teamwork, and leadership. Inspired by the words of Lord Baden-Powell, the camp empowered scouts to face challenges with courage, reinforcing the true path of growth through service and resilience.
